

To Whom It May Concern,
I am a 47 year old business executive living in the Atlanata GA metro area.

I am writing, express my TOTAL dissatisfaction with the quality and content of public radio stations servicing this market. As a 30 year resident I believe my view is well founded.

XM Radio has been the greatest product I have EVER utilized to shorten my DAILY 2 hour commute!

For a change, do not listen to the DC Lobbyist ? listen to your constituents - Do not mess with something that is working!

Sincerely,

Lee Little
